

AUDITION SIDES FOR ADOPTIVE MOTHER

INT. ADOPTIVE HOME - THE STUDY - DAY

The ADOPTIVE MOTHER senses NICK (aka TRIAD) at the doorway as she continues to look out the window. She is holding a picture of her son.

NICK

Hello.

ADOPTIVE MOTHER

You got all your things.

NICK

Yeah. The last of it.

ADOPTIVE MOTHER

Good.

NICK

Thank you for letting me hide it here after I was detained. Yeah... I hope you're well. Take care.

NICK turns to walk away but then he stops and looks back, anxiously but cannot contain it any longer.

NICK

I want to ask, you adopted me from that orphanage, both of you did, you and pops. Gave me a home, I thought, a family and then I did what you asked. Did you ever care about m...?

ADOPTIVE MOTHER

If I did that, I couldn't have sent you to do what you did to get my revenge for us. For my boy.

NICK

I understand about me. What about your own daughter?  
Well, I hope it brings you some peace having that now.

A moment of silence and the Adoptive Mother looks over and NICK has already left. Her eyes swell up.
